PETITION TO WITHDRAW THE HOLDING OF ABANDONMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

October 11, 2006

Sir:

Applicants hereby petition that the holding of abandonment of the above-identified application be withdrawn. It is submitted that the abandonment of the above-identified application resulted from the Patent and Trademark Office's failure to mail the Notice of Allowance to the correct address. Since the failure to pay the Issue Fee resulted from a Patent and Trademark Office error, it is respectfully submitted that the withdrawal of the holding of abandonment is proper.

The abandonment of the above-identified application on May 16, 2002, resulted from Applicant's failure to pay the Issue Fee. Applicant did not pay the Issue Fee because Applicant never received the Notice of Allowance. Applicant's attorneys have made a careful search of the entire file jacket for the subject application and a Notice of Allowance was not present. A review of the docket records also indicate that the Notice of Allowance was never received.

Applicant's attorneys relocated to a new address in Washington, D.C. on March 6, 2000. The U.S. Postal Service was instructed to forward all mail to the new address.

In addition, the undersigned submitted by e-mail on or about May 22, 2001, a spreadsheet listing applications for which the undersigned's address was to be changed. Exhibit A is e-mail correspondence between Margaret Drosos, the patent administrator of Applicants' firm, and Stacy Fuller of the Patent and Trademark Office. Also included is a copy of page 16 of the spreadsheet which lists the above-identified application. Upon submission of the change of address, the Patent and Trademark Office should have changed the mailing address for the above-identified application.

On October 24, 2002, having not received any correspondence from the Patent and Trademark Office, the undersigned filed a Request for Status and Notification of Change of Name and Address. Copies of these documents are attached as Exhibit B along with a copy of the stamped postcard receipt.

On July 19, 2005, the undersigned filed a further Status Inquiry. Copies of this document and the stamped postcard receipt are attached as Exhibit C.

Finally, on February 21, 2006, the undersigned filed a Change of Correspondence Address via facsimile. A copy of the Change of Correspondence Address along with a copy of the facsimile transmission sheet and acknowledgement from the Patent and Trademark Office are enclosed as Exhibit D.

Based upon the facts set forth above, the undersigned attempted several times to advise the Patent and Trademark Office of its change of address. It appears, however, that this change of address was not entered in the above-identified application and the Notice of Allowance was mailed to the undersigned's old address and was never received by the undersigned. Since the undersigned did not receive the Notice of Allowance, the Issue Fee was not paid. Thus it is submitted that the failure to pay the Issue Fee resulted from the failure of the Patent and Trademark Office to change the undersigned's address and that the abandonment of the application was a consequence of the Patent and Trademark Office's failure to change the address. It is therefore submitted that withdrawal of the holding of abandonment of the above-identified application is proper and this petition should be granted.

In the event that any fees are due with respect to this paper, please charge our Deposit Account No. 01-2300, referencing Atty. Docket No. 107176-09004.

Thank you for your response. Unfortunately we asked that you email me the list of applications/patents that you DO NOT wish to be associated with your customer number and that you not delete any applications from the spreadsheet. I have to go to your original spreadsheet and remove the applications that you do not wish to be associated. Please resend the error report with these applications clearly noted.

Thank you for your assistance.

I have received your spreadsheet to associate your applications/patents with your customer number, and there are just a few more questions. There are a few files that are currently going to a different address for correspondence and we just have to do a little preventative maintenance to be absolutely sure that you do, in fact, want to update these files to your customer number.

Please take a look at the attached spreadsheet, which lists the "questionable" applications. Once you have verified whether or not you wish to associate these applications/patents with your customer number, please mark them as such on the attached spreadsheet (i.e., yes/no) and email it back to me, or simply email me the list of applications/patents that you DO NOT wish to be associated with your customer number. Please DO NOT delete any applications from the spreadsheet.

If there are NO changes to be made, you can just email me back to let me know that it is ok to associate all files with your customer number.
